Eco Explorers	Gaiu Mariana Miron Doinița	Turcia, România Grecia	Eco Explorers este un proiect eTwinning internațional, derulat în perioada ianuarie-mai an școlar 2025–2026, la care au participat elevii clasei a II-a de la Colegiul Național „Alexandru Ioan Cuza” din Galați, alături de colegi din Turcia și Grecia. Proiectul și-a propus să îi conștientizeze pe elevi cu privire la problemele mediului înconjurător, să încurajeze comportamente responsabile față de acesta prin activități precum reciclarea, economisirea apei și energiei. Totodată, elevii și-au dezvoltat competențele de comunicare în limba engleză, au avut ocazia să colaboreze, să împărtășească idei și să facă schimb de experiență pentru realizarea de materiale colaborative și și-au îmbunătățit competențele digitale prin folosirea de instrumente Web2 diverse. Produsele finale sunt -o poveste colectivă, fotografii, jocuri digitale, postere tematice, panouri, prezentări diverse, ilustrații, miniexperimente, revista proiectului. Se remarcă revista proiectului care pune în valoare întreaga activitate de proiect, implicarea tuturor partenerilor pe parcursul acestuia și produsele de proiect realizate precum și	https://school-education.ec.europa.eu/en/etwinning/projects/eco-explorers-0/twinspace https://school-education.ec.europa.eu/en/etwinning/projects/eco-explorers-0/twinspace/pages/collaborative-story-book https://canva.link/xfjv6zv1zye7md0 https://app.bookcreator.com/library/-OhAzvO5vvIFOkClGOCO https://school-education.ec.europa.eu/en/etwinning/projects/eco-explorers-0/twinspace/pages/final-product https://school-education.ec.europa.eu/en/etwinning/projects/eco-explorers-0/twinspace/pages/collaborative-celebrate-earth-day-poster	<u>2/28</u>

United in Diversity Beyond Stereotypes	Gaiu Mariana	Franța, România, Grecia, Turcia, Croația, Germania, Italia, Polonia, Coreea de Sud	Proiectul United in Diversity Beyond Stereotypes și-a propus promovarea înțelegerii interculturale și combaterea stereotipurilor în rândul elevilor din diferite țări. Elevii din clasa a VII-a A au explorat conceptul de diversitate, lucrând activ la demontarea prejudecăților și la dezvoltarea empatiei, au realizat diverse produse digitale colective de scriere creativă în limba engleză și au colaborat cu elevi și profesori din alte spații geografice și culturale pentru a obține o perspectivă vastă și nuanțată asupra unor aspecte socio-culturale globale. Desfășurat pe parcursul întregului an școlar 2025-2026, proiectul a reunit elevi și profesori din Franța, Grecia, Turcia, Croația, Germania, Italia, Polonia, România și Coreea de Sud marcând o nouă colaborare de succes în cadrul unei echipe de tradiție. Proiectul a oferit un cadru internațional de colaborare și diverse modalități prin care elevii noștri să devină cetățeni mai buni ai lumii în care trăim prin îmbogățirea cunoștințelor despre alte limbi, țări și culturi. Produsele finale realizate sunt variate - prezentări individuale și colective (padlet), avataruri, jocuri de identificare a partenerilor, postere, filmulete, fișiere audio, poveste colaborativă, cărți poștale digitale, revista proiectului. 20 STEPS to Friendship	Tirim Cătălina și Damian Oana	România Turcia, Lituania, Italia, Spania	Proiectul „20 STEPS to Friendship” este o inițiativă educațională desfășurată în cadrul platformei eTwinning, care își propune să dezvolte prietenia, colaborarea și înțelegerea interculturală între elevi din diferite țări. Prin activități interactive și creative, participanții au ocazia să comunice, să lucreze în echipă și să descopere asemănări și diferențe între culturile lor. Proiectul încurajează respectul, empatia și spiritul de cooperare, contribuind la formarea unor relații de prietenie autentice. În același timp, elevii își dezvoltă competențele digitale, lingvistice și sociale într-un mod atractiv și modern.	https://school-education.ec.europa.eu/en/etwinning/projects/20-steps-friendship/twinspace/pages Partners Contact Information: https://school-education.ec.europa.eu/en/etwinning/projects/20-steps-friendship/twinspace/pages/partners-contact-information Project Activity/Task Sharing Plan: https://school-education.ec.europa.eu/en/etwinning/projects/20-steps-friendship/twinspace/pages/project-activity-task-sharing-plan Ethics and Security Rules of the Project: https://school-education.ec.europa.eu/en/etwinning/projects/20-steps-friendship/twinspace/pages/parent-permission-forms Disemination and project news: https://school-education.ec.europa.eu/en/etwinning/projects/20-steps-friendship/twinspace/pages/dissemination-and-project-news Project Logo Creation: https://school-education.ec.europa.eu/en/etwinning/projects/20-steps-friendship/twinspace/pages/project-logo-	2/50

Aceste instrumente au permis elevilor să lucreze simultan la proiecte și să-și partajeze munca în timp real. Produsele finale, au fost încărcate pe platforma eTwinning, iar elevii, dar și noi, profesorii, am avut ocazia să vedem rezultatele muncii noastre și împărtășim bucurie. Proiectele eTwinning implică o colaborare complexă și bine organizată între profesori și elevi din diferite țări. Prin planificare riguroasă, activități colaborative și utilizarea eficientă a instrumentelor digitale, aceste proiecte oferă elevilor oportunitatea de a dezvolta competențe esențiale și de a crea produse finale de calitate, reflectând efortul și creativitatea lor colectivă. Proiectul a avut ca scop dezvoltarea competențelor-cheie ale elevilor prin colaborare internațională, învățare bazată pe proiecte și implicare activă în investigarea unor teme de actualitate privind dezvoltarea durabilă. Partenerii proiectului au creat o redacție europeană de știri, în cadrul căreia elevii, organizați în echipe internaționale, fiecare responsabilă de o temă distinctă, au cercetat, analizat, dezbătut și prezentat informații referitoare la probleme reale ale societății. 		orientarea către obiectivele dezvoltării durabile. Pe parcursul proiectului, elevii au colaborat la realizarea unui hub multimedia european de știri, dezvoltând competențe de gândire critică, alfabetizare media și digitală, comunicare în limba engleză, colaborare internațională și învățare interdisciplinară. După familiarizarea cu principiile fundamentale ale jurnalismului și cu tehnici de verificare a informațiilor (<i>fact-checking</i>), participanții au avut oportunitatea de a experimenta rolul de tineri jurnaliști prin realizarea unor activități tematice, organizate în rubricile: Intro Scoop, Language Scoop, Code Week Scoop, International Teams Scoop, Xmas – Winter Holidays Scoop și Safer Internet Day Scoop, toate acestea contribuind la elaborarea produsului final al proiectului – EU Newsroom X Scoop și Farewell Scoop.	<u>2.2 Planning & Teachers' Guide</u> https://school-education.ec.europa.eu/en/etwinning/projects/scoop/sustainable-journalism-tomorrows-sustainable-citizens/twinspace/pages/planning-teachers-guide <u>2.3 School Calendars and Live Sessions availability</u> https://school-education.ec.europa.eu/en/etwinning/projects/scoop/sustainable-journalism-tomorrows-sustainable-citizens/twinspace/pages/school-calendars-and-live-sessions-availability <u>2.4 Common Framework</u> https://school-education.ec.europa.eu/en/etwinning/projects/scoop/sustainable-journalism-tomorrows-sustainable-citizens/twinspace/pages/common-framework <u>2.5 Curricular Integration and Competences</u> https://school-education.ec.europa.eu/en/etwinning/projects/scoop/sustainable-journalism-tomorrows-sustainable-citizens/twinspace/pages/curricular-integration-and-competences <u>2.6 Pedagogical Approaches</u> https://school-education.ec.europa.eu/en/etwinning/projects/scoop/sustainable-journalism-tomorrows-sustainable-citizens/twinspace/pages/pedagogical-approaches 3. <u>WELCOME to ScoopStainable!!</u> https://school-education.ec.europa.eu/en/etwinning/projects/scoop/sustainable-journalism-tomorrows-sustainable-citizens/twinspace/pages/welcome-scoopstainable
